

Dear Parents,

Preschool Class Enrolment

will take place online from 15
December 2025 to 18 January 2026

Parents of children born in 2019-2020 who are not enrolled in the school will receive a letter from the district school during December in their digital mailbox.

For one thing, the letter will inform you how to enrol your child in the school.

Preschool class enrolment will take place digitally from Week 51 in 2025 to Week 3 in 2026 on tea-f.tabulex.net/Webindskrivning or on borger.dk

Please take note:

- Only parents with custody can enrol the child in the school.
- If your child is not due to start school in the summer of 2026, use the digital enrolment to apply to the local head teacher for school deferment.
- If your child has been in Denmark for a short time, and there are doubts as to whether your child should start reception class, do not enrol your child in the district school. By the end of April, you will be notified of where your child will start school.
